Why should I invest in Grace Christian Academy?

- To follow God's leading. True stewardship of God's blessings entails prayer on your part as to how God would have you spend the assets He has provided for you. We request that you seek God in earnest prayer as you make a decision to give financially to GCA with the blessings you have received.
- To assist in meeting the financial needs of Grace Christian Academy. Tuition and fees do not cover the entire cost of educating a child at Grace Christian.
- To have a positive effect on a strong academic program with a Christian foundation.
- To provide a strong financial base for the school so that we may effectively pursue and accomplish our mission. (See mission statement).
- To preserve Grace Christian Academy's opportunity to provide a Kingdom Education which can positively affect the lives of many.
- To ensure that present and future students have the opportunity to receive a Christian education in the Leipers Fork Community.
- To receive a tax deduction for a donation to a non-profit entity.

Grace

CHRISTIAN ACADEMY

Total invested			

Thank you for partnering with Grace Christian Academy. Your investment will allow students the opportunity to have a Christ-centered, Biblically based and Academically excellent education.

Thank you again for your support and prayers.

Mission Statement:

The mission of Grace Christian Academy is to assist Christian families in the teaching of their children by providing them an experiential education that is distinctively Christian, biblically saturated, Christ glorifying, academically excellent and service and mission oriented. We exist to help parents cultivate the legacy of Christ's hope in each student and to prepare them to spread that hope along every avenue God provides.
